ROLE MANUAL

Business Development

You bring the work in. You qualify it, agree what we charge, get it signed, and hand it over in writing so nothing is lost between you and delivery.

Your day

Three habits. Everything else comes to you.

First thing

- Open **Desk**. Overnight enquiries land here.
- Anything we cannot place is somebody brand new.
- Open **Clients** for who is mid-conversation.

Through the day

- Answer a new enquiry the same day, even to say when you will reply.
- Log every conversation. A brand with no notes is a brand nobody can cover.

Before you log off

- Every enquiry today has an owner and a next step.

Where things live

The menu down the left of the screen. This is all of it.

Today	What your day is made of
Decisions	Everything waiting on a decision from you
Desk	Email and WhatsApp that came in, and who it is from
Guide	What every screen is for
WORK	
Pipeline	Every creator we owe something, and what happens next
Clients	The brands we run
Creators	The master database, with cost and sell pricing
Campaigns	Live work and where each creator has got to
Finance	In, out, and committed but unpaid

Your jobs

In order. The strip on each card is what to click.

1 Take the enquiry

The moment it arrives.

GO TO **Desk**

1. Enquiries arrive here from email and WhatsApp.
2. Ones we cannot place sort to the top. Those are strangers, so they matter most.
3. Press "I have this" so nobody answers it twice.

2 Qualify it

Before you quote anything.

GO TO **Clients** › Brands › Add a brand

1. Budget, market, category, timing, who signs.
2. Without a budget there is no brief, and no brief wastes everyone.
3. Create the brand and write what you learned on it.

✓ **Next:** A founder decides whether we chase it and writes what to look for.

3 Agree the rate card

Once they are real and the budget is known.

GO TO **Clients** › Quotes

1. Build the quote from the roster leadership cleared.
2. You see what we sell for. You never see what it costs us.
3. Send it and record what they said.

4 Sign and hand over

When they say yes.

GO TO **Clients** › Brands › Open the brand

1. Get the agreement signed and uploaded against the brand.
2. Hand over in writing: what was sold, at what price, by when.
3. Introduce the account manager to the client yourself.

✓ **Next:** Account management owns the client from here. You go and find the next one.

Rules that cost money

Each one has cost us something.

- ⃠ Never quote a price that is not on the rate card without a founder saying so.
- ⃠ You never see cost. Only what we sell for.
- ⃠ A handover said out loud is not a handover. Write it down.
- ⃠ An enquiry nobody has answered by tomorrow is a lost enquiry.

Every screen in the platform is explained under **Guide** in the menu. If something here does not match what you see, the product is right and this is out of date. Say so and it gets reprinted.
